for a Record Year

During the sensational game at Butler, Colt Fullback McChesney attempts escape from 2 Butler Bulldogs.

Coach Sawyer's "zoo" finished the 1966 season with a 3-6 record. The team, though unfledged, had a good year. The experience and the records set, show this.

Heading the Animals this year were seniors Oz Griebel, and Doug McChesney. They each lead in catches and defensive points, and rushing respectively. Also outstanding were Sophomore John Dominianni, junior Don Saller and again Seniors Fred Francis and Mike Merner.

The game of the year was at Butler. The defense was great and the offense moved very well. The whole team hustled until the last Butler drive had been crushed.

The J.V. team, under Mr. Lobb and Mr. Brown had a record of 5-2 and is most promising. The Freshmen shut out their opponents, winning 9 and losing 0.

... Hey, you get on 27 ...

Henry Holcomb and Bob Whitehill duel for position during the Butler meet.

Seize State Honors

When a runner is questioned about the reason he runs, the harrier is often unable to answer. Roger Bannister provided a helpful insight into this question when he said, "I sometimes think that running has given me a glimpse of the greatest freedom a man can ever know, because it results in the simultaneous liberation of both body and mind." This might be the reason.

Coach Bolles is the person largely responsible for Kinnelon's record of first place in the Skyline Conference, first place in Northern District two, and second place in group one state finals. Kinnelon's ability in local competition is illustrated by the scoreboard, which distinguishes those varsity races run by the Junior Varsity.

A unique characteristic of Kinnelon's team is its youthfulness. Its top three runners, Kevin Dunn, Bob Klimm, and Paul Fredericks, are all sophomores. It is this fact which sheds a much deserved light on Mr. Bolles and his runners.

Coach Bolles explains the tactics for this important meet.

During one of the more formidable meets, runners Fredericks and Klimm exhibit their expertness in showing the opposition that Kinnelon is a difficult school to outmaneuver.

Colts Split

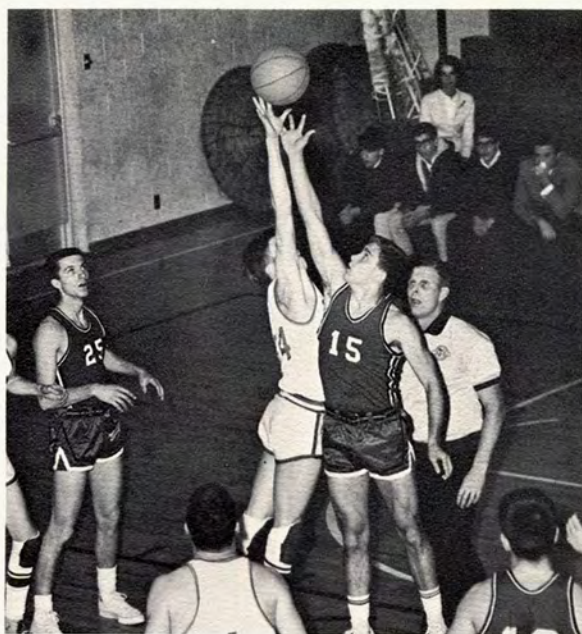

Without a single returning starter the Colts overcame their lack of experience to turn in a respectable 8-12 record for retiring Coach Hall.

The highlight of the season came when the Colts upset heavily favored Pequannock to hand them their only Conference defeat of the season. The Colts also beat Butler twice, the first of which gave them a birth for the third year in a row in the State Tournament.

In the tournament they were undefeated by a much taller Cedar Grove team. However, they gained needed experience for a hopeful next year when all but co-captains Doug and Oz will return.

Under the authoritative guidance of Coach Hall, the Colts on the basketball team came up with an excellent record.

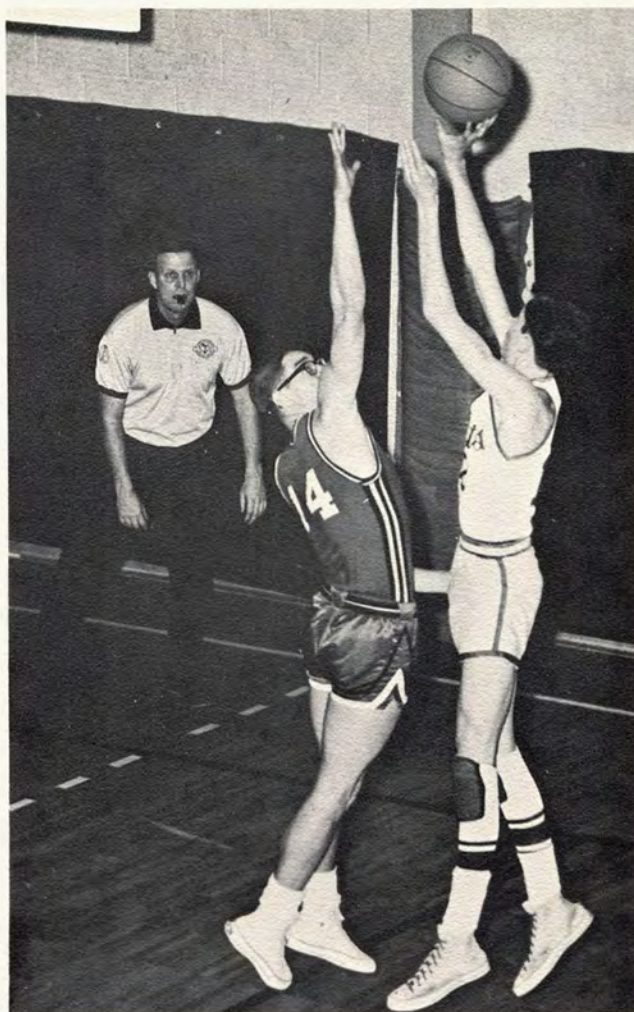

During the course of an exciting home game, Kinnelon's Randy Reveley takes the jump.

8-13 for Good Season
